CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	23 Causeway, Horsham
PROPOSAL:	Surgery to 7x Lime, 3x Yew, and 3x Holly (Works to Trees in a Conservation Area)
REFERENCE:	DC/24/0789
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: Horsham Denne Neighbourhood Council has no objection (See main comments).	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: All the trees within the garden, except for the Holly and the Yew trees near the shed, can be reduced to the previous pruning points. The Lime trees on the boundary wall can be pruned back to similar cut points, and all the epicormic growth can be removed. The Holly and Yew trees would benefit from a 25% crown reduction, including a 2m reduction in height, as they are becoming too large for the area they occupy. This work should leave the trees in a well-balanced shape. Therefore HDNC has **no objection** to this application.
