

Updated site plan Badgers Lodge , The Street, Thakeham, RH20 3EP

Following meeting and consultation with Horsham District Council Arboricultural Officer . Was agreed to amend the position of the proposed development, to avoid protect the root protection area of the adjacent Sycamore tree.

The updated plan shows the new proposed location of the building, in relation to the tree (and existing dwelling for reference.) Was also agreed that the remaining area within the root protection area would remain as a permeable surface. Ie Grass , Gravel or Bark chipping, to improve the moisture catchment and health of the tree.
