Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	With many other developments going on in bespoke areas around Horsham, with better access (rather than a single entrance) adding another 180 homes in a green space is over-development. Until the services such as Doctors and other healthcare, schools and more amenities are upgraded the town cannot cope with more housing. To lose another green space is thoughtless and

unnecessary. There looks to be no affordable housing and so it is another development out of the reach of most people in the town

Kind regards
