Good Afternoon,

Re. Notification of intention to issue Exemption Certificate.

We have recently received an application from Clare Perrin with regard to issuing an Exemption Certificate.

Name and address of site: Land at The Granary, Fulfils Hill, Itchingfield, West Sussex, RH13 ONU

For 1 pitch

The Campfire Companions Club is an environmentally-friendly camping organisation. We and our member sites adhere strictly to the Exempted Camping Legislation under the Paragraph 5 of the First Schedule of the Caravan Sites and Control Development Act 1960 and Public Health Act 1936. Please find our certificates attached.

The occupants of the neighbouring properties have been contacted, and we are at present awaiting their comments. Once these have been received - and subject to no adverse comments, Clare will be issued with an Exemption Certificate for the 2025 camping season. This will be renewed annually if the site continues to meet our standards.

Campfire Companions Club holds exemption certificates for both caravans and camping in England & Wales.

If you should have any comments about this Exempted Camping application, we would be most grateful if you would please contact us within 30 days. If we do not hear from you on or before the 30 days we will go ahead and grant them an exemption certificate.

Yours faithfully,
