Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	There's already too much traffic on the estate via Centenary Road which our lounge window looks onto. We can't have our lounge window open due to the noise and volume of traffic. An additional 82 dwellings with each having between 1 & 2 cars per dwelling it would make it a living hell for us. People treat Centenary Road like a drag strip already, it just can't

take anymore traffic. It would increase the amount of delivery drivers aswell which are the worst offenders for their speed.

Kind regards
