Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	The area of concern is part of a larger natural countryside amenity that provides access to Chesworth Farm and Denne Hill. The loss of it would lessen the impact of the countryside as seen from entry to the reserve managed by Horsham council and the Sussex Wildlife Trust. Further, once this area is developed the way could be open to further development along that stretch of open land. The immediate impact to this area would be detrimental to the whole aspect of the countryside it leads to.

Kind regards
