Comments:	Re: Planning Application [DC/26/1370] - [5 Hadmans Close] I have reviewed the proposals for the demolition of the existing outbuildings and chimney and erection of the proposed single story extension. I have no objection to the planning application and do not wish to raise any specific planning concerns regarding the proposed development. I would, however, ask that any demolition and construction works are undertaken with appropriate care to avoid damage to my property, particularly where the demolition works may affect the boundary wall, which is a high stone wall, originally part of the Vicarage and very close to outbuildings to be demolished.

I understand that any requirements arising under the Party Wall etc. Act 1996 are separate from the planning process, and I would expect the appropriate notices and procedures to be followed where applicable.

Yours faithfully,

[Redacted Signature]

Kind regards
