Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Trees and Landscaping
Comments:	I object to the felling of this tree which has a TPO. From the information given, I cannot identify which tree specifically it refers to. However, walking along the mentioned footpath I can see no evidence of dangerous or diseased trees, only a few small overhanging branches, which don't appear threatening. There is more risk of getting hit by a speeding car along Broomfield Drive or Silver Lane than a tree falling on me along this footpath in my opinion. Without any clear evidence of a problem, this application should be withdrawn. Oak trees provide a home for hundreds of

species of wildlife, and this avenue of trees needs to be protected, particularly with the ever increasing number of houses being built.

Kind regards
