Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity
Comments:	I have lived in The Fieldings since 1996. We have a small path which connects Nos 42 - 47 to the road and which has always had trees and greenery on the other side. I would dispute this fence has only been moved out by 6ft and would estimate the panels are 8ft so the area claimed is 8ft wide by 40ft long. This completely ruins the kerb appeal of our houses and instead of our houses bordering onto a nice path with greenery it now looks like an alleyway. I wouldn't have objected to the fence being extended by a couple of feet but the whole of the amenity land in front of our houses has been claimed and our outlook is a 6ft high fence instead of trees and greenery.

Kind regards
