Comments:	I would like to register my SUPPORT for this proposal. A mural of this sort will fit well into the landscape and culture of Storrington and add a great feature of interest. It aligns well with the village's unique designation, along with the Knepp Estate, as a European stork village. I can see no evidence that it is in opposition to any Local or National policy positions and trust the the Local Authority will see fit to grant it's approval.

Kind regards
