Reasons for comment:	- Design
Comments:	This is a terrible design for such a prominent and historic site. It's bland, overbearing and unimaginative. It bears no relation to it's surroundings and could be plucked from any factory estate, anywhere. There have been a number of designs put forward on the Horsham Facebook pages designed by amateurs using AI that look infinitely better. Perhaps the architects need to go back to the drawing board on this one. It should be rejected.
