Reasons for comment:	- Other
Comments:	I am writing as a resident of Rusper to express my support in regards to planning application DC/26/1093. I believe this proposed development represents a sensible and appropriate use of an existing brownfield site for a self build home and will not destroy agricultural farmland. It is also for a local resident not a developer who is wanting to downsize and stay in the village they love.
Where did you hear about this application?	Word of Mouth
