Subject: DC/24/1482, Cidermill Farm, Knob Hill, Warnham,

Dear Ms A Essex,

DC/24/1482,
Cidermill Farm, Knob Hill, Warnham,
Demolition of existing side and rear extensions and erection of a two storey rear extension, side and front porches and a detached garage with two car bays and sleeping quarters above. (Listed Building Consent).

I refer to the above planning application.

In accordance with the current criteria for site visits, the Council is asking for the applicant / agent to display the Site notice. Please display the Site notice clearly by attaching it to a lamp column, telephone pole or other suitable street furniture as close as possible to the entrance to the site by using a string. These notices should be readily accessible for the General Public.

Please find attached a PDF copy of the Site notice. The Site notice requires a consultation period of 21 days and should not be removed until 21 days after the date of the notice has elapsed. In order to allow our records to be updated and the correct process to be observed, please kindly complete the date the site notice is displayed. Also, please confirm in writing the exact date when the site notice was displayed. For Council records, please take a close up photo of the whole Site notice, also a further photo from a reasonable distance to allow officers to identify exactly where the Notice has been displayed. (For example, if there is a bus stop or street name sign in relatively close proximity this would assist in showing the location). The Notice must be displayed until 21 days after the date of the notice has elapsed.

Please send confirmation date of display and both photos in an email to Halima.chowdhury@horsham.gov.uk with the subject heading “SITE NOTICE PHOTOS – <APPLICATION REFERENCE>” e.g. DC/24/XXXX.

Kind regards

Halima Chowdhury
