Subject: DC/26/0366 Land North West of Southwater

Hello Matthew,

Further to my most recent response to the application reference DC/26/0366 I would like to add a request that the developer construct an off-road bridleway link between Bridleway 1662 within the development, northwards up to the Hop Oast roundabout.

This would give continuity from the Downs Link to the west of the development via Bridleways 1642 and 1662 through to Byway 1668 to the east, making use of the proposed Pegasus crossing to the south of the Hop Oast roundabout and the link southwards parallel to the A24 to the Byway.

Regards,

Donna Trethewey
