Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Trees and Landscaping
Comments:	Whilst I think all Horsham residence agree that this location is in need of redevelopment the current design is shockingly bland, ugly and disappointing. This is literally the first sight people have of Horsham when they get off the train. How in good faith can representatives of Horsham feel and support this as a positive step. Please think about the impact this will have as a symbol of our once beautiful town.

Kind regards
