Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	PLEASE can we have a design that is going to take your breath away when you step out of the beautiful art deco station each and every time. It's in a prime position to impress and make Horsham look better than it already is. PLEASE don't go with the proposed DRAB design, let's go with

something that complements the surroundings and other beautiful buildings near it.

Kind regards
