Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design
Comments:	would respectfully request that consideration is given to restricting the placement of A-board signage. As a neighbouring business, we regularly experience our own signage being obstructed by the positioning of the Anchor's A-board. In addition, customers are often misled into believing that the food offers displayed on the Anchor's board relate to Café Number 4. This frequently results in disappointed and, at times,

disgruntled customers when they discover the offers are not available at our café.

To minimise confusion for customers and ensure that neighbouring businesses are not adversely affected, I would ask that the placement of the A-board is restricted to the left-hand side of the building (when facing the premises). This would help maintain clear visibility for all businesses while reducing customer misunderstanding.

Kind regards
