Comments:	As a former resident of Steyning for 28 years I regularly return to visit friends. The cricket club is invariably the location for us to meet. Having been a former member it is clear to see that the building is in need of significant improvement and upgrading. My children played cricket there as did I. We socialised there as did our friends. It is one of the few community hubs and desperately needs upgrading and improving for the current and future generations to come.

Kind regards
