Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	The reasons for the rejection of the last development that was attempted on the same land still stands as it is an area of outstanding natural beauty and is home to lots of wildlife. There are many concerns within the community about an increase in traffic congestion and loss of animal habitat and worry for there welfare and potential disappearance from the area.

Kind regards
