Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design
Comments:	I wish to support the critical comments on the design of the proposed hotel, made by the Horsham Society. The view from the station resembles yet another block of flats rather than a welcoming hotel. Furthermore there is no evidence in any elevation of any hospitality offer, such as dining. This compounds the impression of another bland block of flats or unserviced apartments.

Kind regards
