Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	We can't keep building on our precious countryside !we need our green spaces and beautiful trees that we definitely can't do with out ! During Covid our local spaces were a lifeline for everyone in the area for exercise and well being ! It's not that long ago ! So I'm a definite NO to this application!!This was my local green space then and I want it to continue !

Kind regards
