Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	This application was previously turned down as it was considered "that development on this site would cause significant harm to the landscape and scenic beauty of the High Weald AONB (now the High Weald National Landscape), would represent an inappropriate incursion into the countryside, and would conflict with the district's spatial strategy.". Nothing has occurred since the first application to change this position.

Kind regards
