Reasons for comment:	- Design - Loss of General Amenity - Other
Comments:	I am writing on behalf of the Horsham Society to object strongly to this application. In our view this is little more than a large illuminated advertising hoarding. It would be highly visible down West Street and certainly not make a positive contribution to the street scene. It is unnecessary and would amount to highly undesirable street clutter. Although not in the Conservation Area, it is close and would be visible looking both towards and from it, thus causing an adverse impact on the Conservation Area.
