Hi Jake,

Just a wee reminder that apart from submitting the final amendments for 5 De Braose Way by tomorrow, please also submit the final amendments for 29 Kings Stone Avenue by this Friday for the amended plans to be considered in the application! Unfortunately due to a backlog of cases I am not allowed to extend the deadlines of applications. The deadlines are also for publishing so I will have to make a decision a few days prior to the deadline.

As I have also said in my previous emails, everything is still subject to design of the amendments and I still cannot guarantee they would be acceptable for 5 De Braose Way and further amendments would not be accepted due to the tight timeframe that I have left for determination so prepare for the worst just in case! The parish council have also expressed an objection based on the original proposals. Therefore make sure you include every aspect of amendments I have recommended to you!

Thank you for your understanding.

Kind regards,
