Thank you for requesting advice on this discharge of condition from Place Services' ecological advice service. This service provides advice to planning officers to inform Horsham District Council planning decisions with regard to potential ecological impacts from development.

Application:	DISC/26/0225
Location:	Woodfords Shipley Road Southwater West Sussex
Proposal:	"Application for Approval of Details Reserved by Condition 8 to approved application DC/21/2180"

Thank you for consulting Place Services on the above discharge of condition application. We can only comment on conditions related to ecology.

Condition

Condition 8: **Recommend discharge**

Pre-Commencement Condition: No development shall commence on site until the following has been submitted to and approved in writing by the local planning authority in relation to hazel dormice:

a) a licence issued by Natural England pursuant to Regulation 55 of The Conservation of Habitats and Species Regulations 2017 authorizing the specified activity/development to go ahead; or

b) a statement in writing from the relevant licensing body to the effect that it does not consider that the specified activity/development will require a licence.

Reason: To conserve protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s40 of the NERC Act 2006 and s17 Crime & Disorder Act 1998) and Policy 31 of the Horsham Development Framework

Comments

We have reviewed the European Mitigation Licence (2026-73619-EPS-IT) and the related method statement which has been submitted in order to discharge Condition 8.

We are satisfied that the submitted information includes the detail required by this condition.

Recommendation

Subject to implementation in full of the submitted details, we recommend discharge of Condition 8.

Please do not hesitate to contact us if you have any queries in relation to this advice.

Yours sincerely,
