Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	The land is already being used as a commercial stables, with rent being paid to the owner for stabling plus hay cost adverts are displayed on face book, Also the track to the stable has been recked twice on both occasions by commercial stables as the other neighbour plot 7 is running a commercial stables as well, both have ruined access to the land from heavy 20 ton heavy goods trucks for there commercial sand school and now commercial turn out area Must object unless they put in a proper tar or hard cement drive along the scrag copse track

Kind regards
