Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	I strongly object to the planning application as the application conflicts with both the Horsham District Planning Framework and the Henfield Neighbourhood Plan. The location of Spring Acres is not a strategic site in the local plan and lies well outside the Henfield settlement boundary. The development would cause irreparable harm to the countryside

and character of the area. Spring Acres is currently an open field that contributes positively to the rural character of the area.

The proposal would significantly alter the visual amenity of the area causing noise and light pollution for neighbouring properties and the surrounding area.

West End Lane is a single track no through road. The development will result in an increase in vehicle movements in a narrow rural lane. This will cause conflict between traffic, cyclists and pedestrians and compromise the safety of walkers, cyclists and horse riders who use this quiet rural lane.

Kind regards
