

Horsham Denne Neighbourhood Council

CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	Southwood, Gordon Road, Horsham
PROPOSAL:	Fell 1 x Laburnum and Surgery to 1 x Conifer, 1 x Sycamore, 1 x London Plane, 1 x Copper Beech. (Works to Trees in a Conservation Area).
REFERENCE:	CA/26/0004
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The small Laburnum tree at the front of the house is in decline, with the main crown area showing dead branch tips. This tree can be removed which would make a space to plant a new small tree or shrub. The other trees in the application have all been reduced on a previous occasion. These can be reduced to the old cut points or a healthy union join, including the removal of any dead or hanging branches. The Beech tree at the front of the property has some low small branches that overhang the public footpath. These can be removed to ensure good clearance of the footpath. Therefore, HDNC has no objection to this application.	
ANY RECOMMENDED CONDITIONS: See main comments.
