Reasons for comment:	
Comments:	I am writing to express my strong support for the planning application. As a regular visitor to The Blue Ship, I have come to know it as a welcoming and well-run pub with a genuinely friendly atmosphere. The owners and staff work hard to maintain a lovely environment for both locals and visitors. In the current climate, rural pubs face significant challenges in remaining viable businesses. Sensitively introducing additional

accommodation such as this proposed holiday unit is a sensible and positive way to help support the long-term sustainability of the pub. It will encourage visitors to stay in the area, support the local economy, and help ensure that valued establishments like The Blue Ship can continue to operate successfully.

I fully support this application

Kind regards
