Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	The only objection I have for this is the dormer roof extension. These houses are of historic significance for Horsham and a Dormer extension will destroy the look of the house and are not in keeping with the style.

In addition, the Dormers will reduce the privacy of the neighbours
several doors down either side

Kind regards
