Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	This development represents a serious lack of appreciation for the the local environment. The sight is extremely close to ancient woodland which is a popular beauty spot for local residents. I often walk nearby with my dog and family and we resent the fact that Horsham is being developed so heavily at the moment. By approving this development you risk increases in traffic, pollution and flooding. I urge you to consider the impact on the above and make the sensible decision to REJECT the application.

Kind regards
