Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Having attended the meeting and spoken as an objector. Can I be assured this application will come back to committee? The vote was 5 for 5 against and 2 abstentions. It is my understanding that at this stage the chairman should have used his casting vote but

chose instead to defer on drainage issues. Surely as there was a motion in place the chairman gets a 2nd casting vote and as he had already voted against the application it should have been refused.

I would appreciate a response. Thank you.

Kind regards
