Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	This proposal will only increase the parking problem in Cedar Drive. The site is quite small and adding another classroom will increase the noise from school, which is in the middle of a residential area. I use the public footpath around the school on a regular basis and I have not seen any green application notice posted nearby.

Kind regards
