Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	The new building over shadow the original building. It's much to high as it's overshadows the roof of the standing building. I'm also sure that this difficult junction will be have some of it's visiblity reduced by the building making it difficult to exit the junction onto the roundabout. It's not a symthetic development of the site

Kind regards
