Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment
Comments:	Ugly and close to the road, will be sad to see the loss of the old fashioned architecture as one comes out of the train station. This could impact on the experience of visitors to Horsham as it looks like any other built up town where every mm of space is built on

Kind regards
