Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment
Comments:	Another area of green land the council want to turn into a housing development. Does the council not think this land could be paid to better use and left as it is. I'm sure countless people use this for their mental wellbeing as well as the wildlife that inhabit this land. Please think again about turning this land into yet another housing development to go with the numerous houses that are currently being built in Horsham and the surrounding areas. Surely there

must come a time where we have to stop, look around and think of the wildlife that live here.

Kind regards
