Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design
Comments:	It's an overbearing featureless monstrosity which will give a bad first impression of Horsham for new visitors from the station. Why haven't they tried to make it in keeping with the surrounding buildings, some of which are listed. The current design looks like something that took 3 mins to create in Microsoft paint.

Kind regards
