I understand that this premises has been operating as a hairdressing business for several years after the tattoo business vacated the building. To the best of my knowledge this department have had no previous issues with this site.

I have no objections to a Change of Use from a tattoo parlour to Class E.

Full details of any proposed external plant (extract ventilation/air conditioning systems, etc.) or lighting should be submitted and approved by the Planning Authority prior to installation.

Should you wish to discuss this matter further please do not hesitate to contact me.
