Dear Jonathan,

Please see the following additional details as requested for TPO application - 22 Oaklands Park;

Current height of trees: 16 meters
Amount to be reduced from height: 2.5 meters
Height of trees after works: 13.5 meters

Both trees have an even total circumference spread of 5 to 6 meters
Amount to be reduced around circumference: 1.5 meters maximum.

Photos of both trees are attached below.
