Reasons for comment: - Highway Access and Parking
 - Overdevelopment
 - Trees and Landscaping

Comments: I am objecting to the Berkeley Homes proposal to build 1,000 homes on farmland northwest of Southwater.

It is more than double what the Neighbourhood Plan proposed.
I will create a huge increase in traffic with Southwater a very car-centric area.

I particularly object to access to the 1,000 homes from Two Mile Ash Road as this will greatly increase traffic there.

The 1,000 homes will remove ancient woodland and wildlife, it will negatively affect drainage in the area and will be increased pressure on water resources and local amenities.

Kind regards
