Horsham Denne Neighbourhood Council
CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	Horsham Leisure Centre, Bowling Alley, Albion Way, Horsham
PROPOSAL:	Installation of internally illuminated signs and external advertisements.
REFERENCE:	DC/24/0554
RECOMMENDATION:	Objection
SUMMARY OF COMMENTS & RECOMMENDATION: Horsham Denne Neighbourhood Council objects to this application (See main comments)	
MAIN COMMENTS: Horsham Denne Neighbourhood Council has the following comments: 1. The proposed elevations document has been incorrectly put under DC/24/0553. There is no plan showing the signage design attached to DC/24/0554. 2. HDNC considers the signage is too large, garish and out of character in this area near to the entrance to the Park and residential roads. 3. In the lighting statement, table 10.4 does not take into account the cumulative effect of the proposed 5 signs adjacent to each other, and we are concerned that they will cause excessive light pollution. 4. HDNC notes on the proposed elevations plan that there are 3 advertising pictures shown in the windows underneath the proposed signs, but there is no reference to these in the application. Therefore, HDNC **objects** to this application.
