Land at Marches Road Warnham West Sussex
Change of use of land for the siting of 2 static caravans, 2 touring caravans for human habitation to be occupied Gypsy's and Travellers, with associated parking, relocation of existing access erection of day room (Retrospective)

Your application DC/25/0982 has now been determined and I enclose the decision notice. The decision notice contains important information. Please take a moment to read it as further action may be required.

Conditions
Before you start work, information must be submitted for any conditions that require discharge before development can begin. The decision notice will set out what information need to be sent.

Biodiversity Net Gain Condition
Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Failure to discharge conditions before commencing development could result in the development being unlawful or enforcement action being taken. You can notify us of your intention to initiate development by completing a pre-commencement notification which will help us to monitor your development. There is no fee to use this service. To do this, or for further information about discharging planning conditions, visit us online at horsham.gov.uk/planning/discharging-a-planning-condition

Community Infrastructure Levy (CIL)
If this development is CIL liable, the requirements of CIL must be met before you start work. Failure to do so could result in additional financial penalties. For further information relating to CIL visit horsham.gov.uk/planning/planning-policy/community-infrastructure-levy/cil-charges-and-how-to-pay

If you have any questions about the decision notice, you can call us and speak to a member of the team on 01403 215187 between 9AM - 5PM, Monday to Friday.

If you are acting as the planning agent for this application, please ensure that the applicant is given a copy of the decision notice and this letter.

Yours Sincerely,
Development Management

Horsham District Council

Application Number: DC/25/0982

TOWN AND COUNTRY PLANNING ACT, 1990 (as amended)
TOWN AND COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr Paddy Maloney

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby notify you that they PERMIT the following development, that is to say:

Change of use of land for the siting of 2 static caravans, 2 touring caravans for human habitation to be occupied Gypsy's and Travellers, with associated parking, relocation of existing access erection of day room (Retrospective)

Land at Marches Road Warnham West Sussex

to be carried out in accordance with Application No. DC/25/0982 submitted to the Council on 13/06/2025 and subject to compliance with the plans/documents and conditions specified hereunder.

Emma Parkes
Head of Development and Building Control

Date: 18/11/2025

1 **Plans Condition**: The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

SCHEDULE OF PLANS/DOCUMENTS

Ian Type	Description	Drawing Number	Received Date
Location plan		GP/01/24	13.06.2025
Layout Plan	Detailed Planting Plan and Schedule	1134-LA-P-01 Revision A P2	30.10.2025
Supporting Docs	Septic Tank		14.08.2025
Block plan	Proposed	GP/03/24 REV E	13.06.2025
Elevation & Floor plan	Proposed Day room	GP/10/25	13.06.2025
Plans	Refuse	GP/07/25	13.06.2025
Supporting Docs	Bat Box details	GP/09/25	13.06.2025

Supporting Docs	Bike storage	GP/08/25	13.06.2025
Layout plan	Existing Visibility splays	NONE	13.06.2025
Supporting Statement	Planning	NONE	13.06.2025

Reason: For the avoidance of doubt and in the interest of proper planning.

2 **Regulatory Condition**: Within three months of the date of this decision, a drainage strategy detailing the proposed means of foul water disposal shall be submitted to the Local Planning Authority for its approval in writing. The drainage strategy shall be implemented within 3 months of such approval being given in strict accordance with the agreed details. The drainage strategy shall be retained as such thereafter.

Reason: As this matter is fundamental to ensure that the development is properly drained and to comply with Policy 38 of the Horsham District Planning Framework (2015).

3 **Regulatory Condition**: Within three months of the date of this decision a detailed surface water drainage scheme, which shall include a Surface Water Drainage Statement based on sustainable drainage principles and an assessment of the hydrological and hydrogeological context of the site and development, shall be submitted to the Local Planning Authority for its approval in writing. The submitted details shall be fully coordinated with the landscape scheme. The scheme shall be implemented within 3 months of such approval being given in strict accordance with the agreed details. The drainage scheme shall be retained in that manner thereafter.

Reason: As this matter is fundamental to prevent the increased risk of flooding, to improve and protect water quality, improve habitat and amenity, and ensure future maintenance in accordance Policies 35 and 38 of the Horsham District Planning Framework (2015).

4 **Regulatory Condition**: Within three months of the date of this decision, a Biodiversity Compensation and Enhancement Strategy (for protected and Priority species and habitats) shall be submitted to the Local Planning Authority for its approval in writing. The Biodiversity Compensation and Enhancement Strategy shall include the following:

(a) Purpose and conservation objectives for the proposed compensation and enhancement measures;
(b) detailed designs or product descriptions to achieve stated objectives;
(c) identification and numbers of native species to be planted;
(d) locations, orientations and heights of proposed compensation and enhancement measures by appropriate maps and plans (where relevant);
(e) persons responsible for implementing the compensation and enhancement measures; and details of initial aftercare and long-term maintenance (where relevant).

The strategy shall be implemented within 3 months of such approval being given and shall be carried out in strict accordance with the agreed details. The strategy and related measures shall be retained in that manner thereafter.

Reason: To compensate and enhance native hedgerow and woodland and protected, Priority and threatened species & habitats and allow the LPA to discharge its duties under the NPPF (December 2024) and s40 of the NERC Act 2006 (as amended).

5 **Regulatory Condition**: Within three months of the date of this decision, a lighting design scheme for biodiversity shall be submitted to the Local Planning Authority for its approval in writing. The scheme shall identify those features on site that are particularly sensitive for bats and that are likely to cause disturbance along important routes used for foraging; and show how and where external lighting will be installed (through the provision of appropriate lighting contour plans, Isolux drawings and technical specifications) so that it can be clearly demonstrated that areas to be lit will not disturb or prevent bats using their territory.

All external lighting shall be installed in accordance with the specifications and locations set out in the scheme and maintained thereafter in accordance with the scheme. No further external lighting shall be installed without the prior written consent of the Local Planning Authority by way of a formal application.

Reason: As these matters are fundamental to safeguard the ecology and biodiversity of the area in accordance with Policy 31 of the Horsham District Planning Framework (2015), and to enhance Protected and Priority Species/habitats and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (Priority habitats & species).

6 **Regulatory Condition**: Within three months of the date of this decision a fire hydrant(s) to BS 750 standards or stored water supply (in accordance with the West Sussex Fire and Rescue Guidance Notes) shall be installed, connected to a water supply with appropriate pressure and volume for firefighting, and made ready for use in consultation with the WSCC Fire and Rescue Service. The hydrant(s) or stored water supply shall thereafter be retained as such.

Reason: In accordance with fire and safety regulations in accordance with Policy 33 of the Horsham District Planning Framework (2015).

7 **Regulatory Condition**: Within three months of this decision, visibility splays for the new access serving the development (including details of any planting to be removed) shall be submitted to the Local Planning Authority for its approval in writing. The visibility splays shall be provided within 3 months of such approval being given and in accordance with the agreed details. Once provided the splays shall thereafter be maintained and kept free of all obstructions over a height of 0.6 metre above adjoining carriageway level.

Reason: In the interests of road safety and in accordance with Policy 40 of the Horsham District Planning Framework (2015).

8 **Regulatory Condition**: Within three months of the date of this decision, details of parking and turning facilities for the site shall be submitted to the Local Planning Authority for its approval in writing. The parking and turning facilities shall be provided in accordance with the agreed details and within 3 months of such approval being given. The parking and turning facilities shall thereafter be retained as such.

Reason: To ensure adequate parking, turning and access facilities are available to serve the development in accordance with Policy 40 of the Horsham District Planning Framework (2015).

9 **Regulatory Condition**: Within three months of the date of this decision, full details of all hard and soft landscaping works shall have been submitted to the Local Planning Authority for its approval in writing. The details shall include plans and measures addressing the following:

- Details of all existing trees and planting to be retained and removed.
- Details of all hard surfacing materials and finishes, including layout, colour, size, texture, coursing and levels
- Details of all boundary treatments - such as walls, fencing and railings - including location, type, heights and materials
- Proposed and existing functional services above and below ground such as drainage, power, communications cables and pipelines - including drainage ditch levels and location relative to existing trees.

The approved landscaping scheme shall be fully implemented in accordance with the approved details within the first planting season following the approval of the scheme. Unless otherwise agreed as part of the approved landscaping, no trees or hedges on the site shall be wilfully damaged or uprooted, felled/removed, topped or lopped without the previous written consent of the Local Planning Authority until 5 years after completion of the development. Any proposed planting, which within a period of 5 years, dies, is removed, or becomes seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

Reason: To ensure a satisfactory development that is sympathetic to the landscape and townscape character and built form of the surroundings, and in the interests of visual amenity in accordance with Policy 33 of the Horsham District Planning Framework (2015).

10 **Regulatory Condition**: This permission does not authorise use of the land as a caravan site by any persons other than Gypsies and Travellers, as defined in Annex 1 of Planning Policy for Traveller Sites (Department for Communities and Local Government 2024).

Reason: To enable the Local Planning Authority to control the use of the site and in accordance with Policy 21, Policy 22 and Policy 23 of the Horsham District Planning Framework (2015).

11 **Regulatory Condition**: There shall be no more than two pitches on the site with no more than one mobile home/static caravan (as defined in the Caravan Sites and Control of Development Act 1960 and the Caravan Sites Act 1968) stationed on each pitch at any time. There shall be no more than one touring caravans stationed on each pitch at any time and these shall not be occupied by any person at any time whilst stationed on the application site.

Reason: To avoid an overcrowded appearance and to secure satisfactory standards of space and amenity and to enable the Local Planning Authority to control the use of the site, in accordance with Policy 21, 22, 23 and 26 of the Horsham District Planning Framework (2015).

12 **Regulatory Condition**: No industrial, commercial or business activity shall be carried out on from the site, and the storage of materials shall only be within the two existing containers as shown on the approved Block Plan.

Reason: In the interests of amenity and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

13 **Regulatory Condition**: No Heavy Goods Vehicles (defined as any vehicle having 3 axles or more and with a weight exceeding 3,500kg) shall operate to or from the site or be stationed, parked or stored on the site at any time.

Reason: In the interest of highway safety and amenity in accordance with Policies 33 and 40 of the Horsham District Planning Framework (2015).

14 **Regulatory Condition**: The development hereby permitted shall meet the optional requirement of building regulation G2 to limit the water usage of each pitch to no more than 110 litres per person per day. The subsequently installed water limiting measures shall thereafter be retained.

Reason: To limit water use in order to improve the sustainability of the development and to ensure the development is water neutral to avoid an adverse impact on the Arun Valley SACSPA and Ramsar sites in accordance with Policies 31 and 37 of the Horsham District Planning Framework (2015), Paragraph 193 of the National Planning Policy Framework (2024), its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority habitats & species).

15 **Regulatory Condition**: Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 or Orders amending or revoking and re-enacting the same, no additional gates, fences, walls, or other means of enclosure shall be erected or constructed on the site.

Reason: In the interests of amenity in accordance with Policy 33 of the Horsham District Planning Framework 2015.

Biodiversity Net Gain Condition
Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

(a) a Biodiversity Gain Plan has been submitted to the planning authority, and
(b) the planning authority has approved the plan.

Under Regulations 4, 5, 7 & 8 of the Biodiversity Gain Requirements (Exemptions) Regulations 2024 the statutory biodiversity gain condition required by Schedule 7A to the Town and Country Planning Act 1990 (as amended) does not apply in relation to planning permission for development which:

1. does not impact an onsite priority habitat (a habitat specified in a list published under section 41 of the Natural Environment and Rural Communities Act 2006); and
impacts less than 25 square metres of onsite habitat that has biodiversity value greater than zero and less than 5 metres in length of onsite linear habitat (a hedgerow habitat or watercourse habitat identified for the purposes of the biodiversity metric);

2. is the subject of a householder application within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015;

3. is undertaken solely or mainly for the purpose of fulfilling, in whole or in part, the biodiversity gain planning condition which applies in relation to another development (In determining whether a development is undertaken solely or mainly for this purpose, no account is to be taken of any facility for the public to access or to use the site for educational or recreational purposes, if that access or use is permitted without the payment of a fee);

4. consists of no more than 9 dwellings, is carried out on a site which has an area no larger than 0.5 hectares, and consists exclusively of dwellings which are self-build or custom housebuilding ("Self-build or custom housebuilding" has the same meaning as in section 1(A1) of the Self-build and Custom Housebuilding Act 2015 (as amended)).

In addition, the Biodiversity Gain Plan Condition does not apply to applications for major development made before 12 February 2024, or non-major development made before 2 April 2024.

Based on the information submitted in the planning application documents, the Planning Authority considers that this permission is exempt from biodiversity net gain, and as such does not require approval of a biodiversity gain plan before development is begun.

Note to Applicant
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or

under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
