Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Rudgwick Preservation Society have looked at the application which poses questions that require answers before this application is considered. This application for a pop up campsite as was submitted last year but this time dates are shown. HDC and Rudgwick Parish Council objected to the 2024 application and most of those objections apply to this application. There is an outstanding change of use application for this site DC/24/1502 for 4 Travellers pitches with queries over shower and toilet facilities to be used - pop up campsites should have pop up facilities that can be removed when the campsite closes down?

Is there a valid planning approval on the permanent facilities?

Is it valid to seek to have a pop up site where a formal application for a permanent campsite has been refused?

If they have a licence to operate an all year round campsite why is there any necessity to apply for a 60 day site?

If the campsite is operating without the necessary licence the an investigation is required.

Kind regards
