Address: Rowhook Manor Bognor Road, Broadbridge Heath Horsham, West Sussex

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	This application is due to reach the Consultation stage on 9th January 2025. I wish to know why the travellers site has already been developed, with a brand new high fence surrounding the perimeter and why the caravans applied for to place on the site, are already in situation? I wish to know if this application has been Approved by the council

without due process?

This site is in a rural area of outstanding natural beauty, next to an Organic Vineyard.
Trees have already been felled on this site.

There is already an approved Travellers site not far, at Deepdene Farm on the A281. They are currently clearing ground for further caravans.

There has been an attempt to put Travellers caravans on a site on Rowhook Road, almost on the corner with Bognor Road, A29.
There are 2 caravans on this piece of land already.

There is also an unofficial site operating near the Fisheries on the A281.

I object to the fact that a further site has already established itself in this rural idle.
I object to the fact that residents are at risk of been surrounded by unsightly Travellers sites and destroying the environment which is classed as an area of outstanding natural beauty.

Kind regards
