Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Dear Council I have already submitted some objections but having just read the one from Highways from - MR Ian Gledhill West Sussex County Council - Planning Services He says there would be no significant additional issues - Sorry he clearly doesn't live close to here and i believe the residents having large lorries and juggernauts driving past their doors late at night will not agree with him !!

Please can you ask him to reply with why he feels that his statement is true ??

Kr
