Comments:	Planning Consent has been granted for a 3 bedroom house - The Cottage at Selehurst Gardens. I have lived at Selehurst Gardens for over 40 years. It has a large garden in excess of 25 acres and the need for machinery and equipment to be stored safely is paramount. We have had 2 break-ins, one attempted burlary and at least 2 thefts I can remember. The Cottage will need such a storage space, not only for machinery and equipment but for the cars and children's toys etc.

I am hopeful that Horsham District Council will agree and give consent to this application
