Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	There has to come a time when HDC realises the area is becoming far too overdeveloped without sufficient thought to sustainability of the once lovely market town. The last few weeks have shown the problems there will be with water supply, you already know the lack of sufficient doctors and the overcrowding of our roads. This proposal will cause havoc on the roads at certain times and what about sewage, water supply, etc. Definitely not a suitable site.

Kind regards
