Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Trees and Landscaping
Comments:	Moorhead roundabout is already congested especially in the mornings and will cause even more problems on traffic exiting North Horsham. I live near to the proposed site and more houses will cause unnecessary incursion to the countryside which is already

overpopulated with existing and recent building projects.
Lack of infrastructure is also very important especially with our
changing climate and water supply and all services.

Kind regards
