Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity
Comments:	Where as 120 houses is preferable to previous 470 the same objections still apply. Congestion on Crawley Road especially mornings where traffic is currently queuing back to Shepherds Way to get round Moorhead roundabout, most of the new development will be turning right across traffic to get to A264. The site is part of the High Weald National landscapes, an area natural beauty which will be spoilt with the building of houses, this

will also encroach on theCrawley/Horsham gap, which is vety quickly disappearing. Also there is insufficient infrastructure to support more houses, we are currently short of doctors, dentists, hospitals and school places.

Kind regards
