Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	Before more development is considered we need far more infrastructure. A hospital is desperately needed. The timely trip to East Surrey is not acceptable. Babies are born and people die on their way to hospital. The wait in A and E can be over 12 hours. New homes mean a larger population. Provide a hospital, doctors surgeries and schools before even considering more housing!

Kind regards
